Last Modified on 04/13/2022 12:10 pm CDT

All Fellowes paper shredders will carry a warranty to be free from defects in material and in workmanship for a specified time period.

To determine the specific warranty on your model paper shredder, you will want to check your manual as the actual warranty may vary depending on the model of shredder.

If you do not have or cannot locate your paper shredder manual or if you have a more specific warranty issue or warranty claim, please contact our Customer Care Center at 1.800.945.4545, M-F 8am-6pm for assistance or submit your question here. Generally a Customer Service Shredder Expert will reply to you via email the next business day.
