Paper shredder accessories, such as oil and bags, can be purchased from most stores and on-line vendors which carry shredders.

Additionally, consumers may purchase shredder oil and a wide variety of shredder bags at www.fellowes.com

If you are not sure which bags to use with your paper shredder, contact Customer Service by clicking on the "Ask a New Question" tab above. Please include your model number and we can provide the appropriate bag, part number, and purchase locations.
