

Can I fit two monitors on the top surface of the Lotus™ Sit Stand Workstations?

Last Modified on 06/07/2019 2:16 pm CDT

Lotus Sit Stand Workstations 0007901, 0009901 and Lotus DX Sit Stand Workstations models 8080301, 8080201: Monitors may have slightly different sized bases and frames, but if you are using a modern monitor from one of the large manufacturers, you should be able to fit two monitors side by side up to 24".
