Check with your local office supply or computer dealer. Purchase the Fellowes Custom Keyguard Mailer Kit (#99680). This convenient kit includes all the information you will need to order your keyguard, and the price includes shipping and handling. For most keyboards we can provide you with a custom made keyguard within 3 weeks of receiving your order. If you need help locating a dealer, please call us at 800/945-4545.
