

Why aren't all of your products available for sale on the website?

Last Modified on 11/04/2025 1:40 pm CST

The majority of Fellowes branded products are sold through our commercial, retail, and online partners. Currently, we only sell some of our purifier products on our website. If you need some direction, please call Customer Service at 1-800-945-4545 for assistance. Our hours are 8am-6:00 pm CST. Monday-Friday.
